

Your Guide to eReaders and eBooks

Follow these steps to download library eBooks:

1. Which eReader or tablet do you have?
 - a. **The Kindle Fire** can use the built-in browser to go directly to our eMedia Catalog, checkout and download ebooks. (See section **To get eBooks from the eMedia Catalog** below) .You can also download and install the eMedia Console for Android using this link <http://www.overdrive.com/software/omc/AndroidEULA.aspx>
 - b. **Kindle eReaders** require a computer to checkout, download and send to your Amazon account. Once the ebook is at your account, connect the Kindle eReader to a WiFi network (not 3G) or use a USB cable and computer to sync your eBook to the Kindle eReader. (See section **To get eBooks from the eMedia Catalog** below)
 - c. **Sony Reader WiFi** (PRS-T1) has a built in app to access library ebooks and downloads them directly to the eReader. See the video on **eRead Me Vegas** – <http://readmevegas.blogspot.com/2011/11/sony-e-reader-wifi.html>. The library app is located on page 2 of your Sony eReader. (See section **To get eBooks from the eMedia Catalog** below and just skip the transfer directions.)
 - d. **Tablets** use the OverDrive Media Console app
 - i. For iPad, iTouch, or iPhones go to the iTunes App Store
 - ii. Android tablets (basically all other tables) go to <https://market.android.com/search?q=overdrive+media+console&so=1&c=apps> for the app
 - iii. See section **To get eBooks from the eMedia Catalog** below and just skip the transfer directions
 - e. **Nooks, Pandigital, and other brands of eReaders** require a computer and Adobe Digital Editions installed on the computer.
 - i. Use the steps below under number 3 to guide you through the process.
2. Don't forget to registered your device with the manufacturer before you start downloading ebooks.
3. To learn how setup your computer to get ebooks on your eReader or find out how to get the OverDrive Media Console for mobile devices go to <http://ebooks.lvccld.org>

4. Click on **MyHelp!**
5. Select **eBooks**
6. Select **the eReader device you have**
7. Click on **View My Help**
8. Follow the steps on the **Set Up tab** for the eReader
9. Once your computer is setup you are ready to download ebooks.

To get Library eBooks from our **eMedia Catalog** go to <http://ebooks.lvccld.org>
